

# Participation in MAiD should be voluntary for everyone involved.

Healthcare professionals and residents across Saskatchewan are calling for stronger safeguards around Medical Assistance in Dying (MAiD) by supporting two key requests to the Government of Saskatchewan:

- 1) **Protect vulnerable patients** from unsolicited offers of MAiD.
- 2) **Support the right** for healthcare providers to decline participation in MAiD.

## SPEAK UP FOR PATIENTS AND HEALTHCARE PROVIDERS

Medical Assistance in Dying (MAiD) is now the fifth leading cause of death in Canada, but many are choosing it due to feelings of loneliness, fear, or being a burden, not physical pain. At the same time, healthcare workers are being pressured to participate in MAiD, even when it goes against their beliefs.

We are calling on the Saskatchewan government to make two key changes:

- Do not offer MAiD unless the patient asks for it
- Allow healthcare providers to opt out without fear of punishment

Join us in advocating for compassionate care. Send a letter digitally to the Minister of Health. It takes just a few minutes, with no passwords required! Visit [www.bit.ly/2025Sask](http://www.bit.ly/2025Sask)

## Reverence For Life Prayer

O Mary, to you do we entrust the cause of life. Look down O Mother upon the vast number of babies not born, on the poor whose lives are made difficult, on those who are victims of brutal violence, on the elderly and sick killed by indifference or misguided mercy.

We ask for the grace to accept the Gospel of Life as a gift ever new, and the courage to bear witness to it. To the praise and glory of God, the Creator and lover of life. Amen!
