

ADVANCE DIRECTIVES, PROXIES & SUBSTITUTE DECISION-MAKING IN SASKATCHEWAN

Wednesday, May 7th, 5:45pm, St. Mary's Parish.
What would happen if you suffered a health care crisis and could not make decisions for yourself? Join us to learn more about how you can ensure that decisions about your health are guided by your faith, even if you are unable to speak for yourself. Faith-based Advance Health Care Directives will be available.

UPDATES TO HOSPITAL CHAPLAINS

As of April 8, 2025, the Saskatchewan Health Authority is now asking patients at Admission if they would like a Spiritual Care Visit during their hospital stay in the General or Pasqua Hospital, they will collect the patient's faith information and notify the chaplains that you are in the hospital. This information is not stored at the hospital upon discharge, so you will need to provide the information for additional hospitalizations. If you end up in the hospital by the emergency room, you are not going to be asked this question. If you would like to have a visit, you or a family member can use the contact information below to speak with a hospital chaplain. If you would like a visit from your parish priest, you will need to notify the chaplain or the parish to let them know that you are in the hospital.
