COFFEE SUNDAY has returned!

What better way is there to start our return to the “new normal” than to spend some time in prayer, and then enjoy a light snack and a drink while reconnecting with those whom we haven’t had a chance to see very often. We missed you, and we hope that you will be able to join us after Sunday 9:00 mass for some refreshments, a few treats, and some good company. Bring your mask or bring your smile. We don’t care – we will just be happy to see you!

A breeze of Normal life

Brothers and sister, as we begin the step 3 of the re-opening Saskatchewan plan with the lifting of all Covid-19 restrictions, we give thanks to God for bringing us this far.

This journey has been very difficult, rough & stressing. We remember the days when we couldn't visit each other, the days when we could not see our Parents and loved ones in care homes. We remember all those who died during this pandemic, and we continue to pray for the repose of their souls.

We still remember the days when our parishes and churches were closed and we were unable to gather as we used to do. As we begin to experience a breeze of freedom, we would like to express our heartfelt gratitude to you for your steadfast faith and dedication.

Your faith and commitment have kept St. Anne's Parish open and still vibrant.

Thanks to all the ministries during these difficult times. You all put fear aside and served with a smile and a warm heart. Thanks for your generous support and service to our Parish.

Let's continue to walk hand in hand in the service of God and mankind. Remember, Covid-19 is not fully over yet therefore let us continue to keep each other safe.

**Proposed New 'APPEAL' for the
support of Residential School
Survivors and their Families and
Communities.**

Dear Clergy, Religious and Lay Faithful of the Catholic Dioceses and Eparchy in Saskatchewan, Over the past days, coming face to face with findings at cemeteries of former residential schools, we have been awakened anew to the waves of suffering from those who have been affected by these schools and the colonial system that fashioned and upheld them, a system with which Catholic Church dioceses and organizations, along with other institutions, were complicit.

We have heard the strong request, from Indigenous and Non-Indigenous people in various quarters, to initiate a new fundraising campaign to support survivors and engage more deeply in our own ongoing commitment and response to the Truth and Reconciliation process. Many members of our Catholic community have expressed their solidarity and support for the ongoing work of healing for survivors and their families, which could take the shape of supporting local projects of the National Indian Brotherhood and responding locally to TRC Calls to Action involving a financial commitment, as guided by Indigenous communities here in Saskatchewan (cf. Calls to Action #61, #73-76; #82).

We are deeply grateful for the signs and indications of commitment we have been hearing and have begun consultations this past week towards a province-wide fundraising effort, which we would each undertake in ways discerned in our respective dioceses. To maximize the effectiveness of such an effort, it is important to plan well and to coordinate the efforts of various potential participants, and most importantly, to consult with Indigenous dialogue partners, including Survivors, Elders, Knowledge Keepers and Chiefs. Those conversations are already underway, and we hope to be able to announce a plan soon.

We offer this brief communication as an update and look forward to responding with more details in the near future.

In the meantime, blessings to you all on this very warm July long weekend.

Sincerely Yours in Christ,
