

GOOD NEIGHBOUR PROJECT

1) So many grateful comments received from recipients of packages of household items for families!

-Two weeks ago we outfitted a family of 7 as they reunited after some troubles. They were so happy to receive household goods and some food to tide them over for a few days. It really does make a difference to have some basic items.

- We also helped two brothers who recently arrived from the Ukraine. They have jobs but arrived with only two suitcases each with their personal items. A generous landlord was able to help them settle in their own apartment and we were able to give them some household items to help them get started in their new life in Canada. They also received a few days of food to help them out until they receive their first paychecks. Serhii and Nazareth were shocked and overjoyed to receive their package. "So many useful items and an unexpected gift. So many good people!"

Each family received pillows and bedding, towels and hygiene supplies, cleaning supplies, dishes, pots and pans, storage containers, toys and books and kettles and toasters, garbage cans and bags, cooking utensils and kitchen linens. Your donations really do make a huge difference in people's lives!

2) We are always in need of toilet paper, laundry soap, hand soap and shampoo. We also always need noodles, rice, soup and canned meats, vegetables and fruit. Please place your donations on or beside the shelf in the Gathering Area.

3) If anyone has a children's bike or two to give away we have a couple of children who would really love one. Please contact Gabriela in the office (306. 586.0449), or e-mail office@stannesregina.com Thank YOU for your Support!! Anita Hanna

Our group offers a safe environment for those facing scrupulosity/OCD challenges. Members can share struggles, receive encouragement, and learn practical coping strategies. Through prayer, discussions, educational resources, and spiritual guidance, we help you break free from scrupulosity and rediscover inner peace. Focusing on spiritual growth, we draw inspiration from saints who overcame scrupulous obsessions by God's grace. With these spiritual tools, you, too, can manage and overcome your OCD/scrupulosity.
