Tree of Life Legacy Campaign a Huge Success!

Thanks to the generosity of parishioners (current & former), businesses and friends of St. Anne Parish, our 60th Anniversary Tree of Life Campaign has been a big boost to our *Buildings and Grounds Initiatives* with total donations of

\$58,265.00

We can now continue on with the many projects that need to be done to get our building & grounds in tip-top shape.

By God's grace, all 60 leaves were purchased and we will soon have our final plaque of donors mounted near the tree.

"Make a tree good and its fruit will be good... for a tree is recognized by its fruit. Matthew 12:33

*Donations will continue to be accepted to realize our goal of \$60,000 - more leaves may still sprout from our tree - stay tuned!!

We acknowledge that we are in Treaty Four Territory, Traditional lands of the Nehiyawak (Cree), Anishinaabe (Saulteaux), and Nakota people. Homeland to the Dakota, Lakota and Metis people.

We invite you to participate in our Lenten Program and

Leave your burdens at the foot of the Cross with hope and trust.

Our Lenten Program, "**Leave it at the Cross**" will begin on Ash Wednesday, February 22. Knowing that we all carry heavy burdens each day of our lives, we invite parishioners (and friends/family with whom you'd like to share this program), both young and old, to leave their burdens in the basket placed **at the foot of the Cross** in front of the altar.

Special little cards/envelopes will be available at Mass to complete either in church or at home after discerning what burdens you are carrying and would like to give to the Lord. After completed, return your sealed envelope(s) and place in the basket at the foot of the Cross. There will be opportunity to fill out many cards throughout Lent.

All your precious requests (sealed envelopes) will be burned in the fire prepared for the celebration of **Mass on Holy Saturday. (April 8th).**

Come to me, all you who are weary and burdened, and I will give you rest.

Matthew 11:28

3rd Sunday of Lent

“Everyone who drinks this water will be thirsty again.” **John 4:13**

Jesus reminds us that material things, even something as basic as water, can never satisfy us over the long run. When we build our lives around material possessions we will always want more and no amount will ever satisfy our desire. True joy and peace only comes when we follow Jesus - when we become more “God-centered” and less “self-centered.”

DEVELOPMENT AND PEACE: A MOVEMENT OF SOLIDARITY

Established in 1967, Development and Peace – Caritas Canada is the official international solidarity organization of the Catholic Church in Canada. We partner with organizations in the Global South that promote alternatives to unjust social, political and economic structures and support women in their quest for equality and justice. With the help of our 11,000+ volunteer members, we inform Canadians about the root causes of impoverishment and mobilize them to act for change. Our Lenten campaign, **People and Planet First**, offers you the opportunity to help protect vulnerable communities and ecosystems from corporate abuse. To learn more about and to join our movement, visit [devp.org](https://www.devp.org).

SURVIVORS IN TURKEY AND SYRIA NEED YOUR SUPPORT!

At 4:17 a.m. on February 6, a magnitude 7.8 earthquake shook Turkey and Syria. Many aftershocks followed. Buildings collapsed like houses of cards, trapping thousands of people. Over 11,000 people have died and more than 55,000 have been injured. The toll is expected to rise as rescue workers continue removing victims from the rubble.

Our partners in the Caritas family are already mobilized on the frontlines, providing blankets, food and emergency shelter for families who find themselves on the streets. But the needs are great, especially for populations that have already been made vulnerable by 12 years of conflict in Syria.

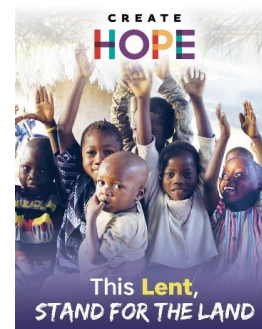

Development and Peace – Caritas Canada is collecting donations to help the survivors and to continue to support the people of Turkey and Syria. In such an emergency, acting now matters!

Thank you for your solidarity!

The courage to Create Hope

To delegates at the 4th World Meeting of Popular Movements, Pope Francis said, “...you have the ability and the courage to create hope where there appears to be only waste and exclusion.”

These are the words that inspired the choice of “Create Hope” as a five-year guiding theme at Development and Peace – Caritas Canada.

The courage to Create Hope is rooted in actions big and small. For to drive away anguish and despair, it is best to act. Every action we take has a positive effect on us, our neighbours, our great human family, our children and their descendants. What will you to this Lent to Create Hope? Join our campaign at [devp.org/lent](https://www.devp.org/lent).
