"I wonder how many churches and charitable organizations realize that community is one of the greatest gifts they have to offer. If we ask for money, it means that we offer a new fellowship, a new brotherhood, a new sisterhood, a new way of belonging. We have something to offer- friendship, prayer, peace, love, fidelity, affection, ministry with those in need- and these things are so valuable that people are willing to make their resources available to sustain them." - Henri Nouwen, A Spirituality of Fundraising - For more information, please go to the Archdiocese of Regina website: <https://archregina.sk.ca/grouppage/archbishops-appeal/>

REFLECTION

Today is World Day for the Poor. The readings fit into this day quite well. The Gospel parable about the talents shows us that we are the stewards of the world until Jesus returns, and how we manage our resources will be judged upon his return. So that puts the responsibility on us to be good stewards, not only of our wealth but of our world. So, it becomes critical to help those around us with the resources that we have. Often, we fail to understand the conditions and events that lead many into homelessness or poverty, especially if we have not experienced these things in our own lives. Your contribution to the Archbishop's Appeal helps organizations such as the Marian Center, which helps feed and clothe those who are struggling to afford the basic necessities of life. With your contribution, their work becomes easier to do. Please continue to support the Archbishop's Appeal so that we can ensure that the work of the Church can continue to lead others to experience the generosity and love of Christ.

Stewardship Bulletin Bit November 19, 2023 33rd Sunday in Ordinary Time

"Well done, my good and faithful servant. Since you have been faithful in small matters, I will give you great responsibilities."

- Matthew 25:21

God calls us to nurture and develop the gifts He has given us and then generously return a portion with increase. He doesn't want us to waste or hoard the gifts He has given us. He expects us to grow our gifts, to use them wisely, and to be generous with them. Unfortunately, many of us are not generous in proportion to all that God has given us. God asks us to be generous with all our gifts, especially the one that means the most to you.
