National Collection for Truth & Reconciliation

On December 12th, the feast of Our Lady of Guadalupe we will have a special pew collection, in which parishioners across our archdiocese will be able to support the TRC Healing Response. Together, we can pool our resources to support Indigenous-led initiatives to assist in repairing the wounded relationships of the past.

Our Lady of Guadalupe calls us to stand in solidarity with Indigenous Peoples. Through her intercession may we as a church give birth to new relationships and a new way of walking together on the road to reconciliation.

Thank you.

“Jesus answered, ‘My kingdom does not belong to this world.’ (John 18:36)

Life is short. How much time, energy and money do you put into building “your” kingdom here on earth? We all know we can’t take it with us. The real kingdom is in the next life. Yet, how much time, energy and money do you invest in working for that eternal kingdom? Ask God for His guidance.

Detach from earthly possessions. Generously share your material goods with others for the greater glory of God.

Message from the Parish Priest

Dear members of the St Anne's Family,

We would like to first and foremost thank you once again for your faith and great support to our Parish.

We appreciate the effort and contribution you have made and continue to make despite the difficult times we all face due the Covid-19 pandemic.

Brothers and sister in Christ, few years ago our parish contracted a loan to renovate the Rectory (**\$52,828.83**), to repair the Church Roof (**\$21,511.22**) and to renovate the Parish Hall (**\$256,326.23**).

St Anne's Parish is doing well so far, and we are moving in the right direction. As you have seen recently in our Q3 (January to September 2021) Financial Report, our Parish has met and continue to meet its financial obligation and we are up to date in all our payments with the exemption of **our church's loan of \$330,666.28**

By the end of this year, we will need to pay **\$50,000.00** towards this loan. So far, we have a total of **\$22,137.30** in our Building Fund (\$12,137.30 raised + \$10,100.00 bequest received).

We therefore need to contribute and raise another **\$30,000.00** (\$28,000.00 exactly) before December 31.

Times are hard, but we still need your help. We therefore appeal to you to donate and support our Parish in reducing the burden of this loan.

Please, donate to the Building Fund and help us raise this \$30,000.00

Thank you so much for your generosity and we wish you God's abundant blessings for you and your family.

Parish Priest

Today we celebrate the feast of Christ the King. A king unlike all others. There is no rule with an iron fist, no wars, no distinction based on ability, there are none doing without while others have excess. No, Christ's Kingdom would not be recognized if compared with those on earth. The readings show how Christ's crowning and return to gather his Kingdom was told from time of old by the prophets.

In the gospel reading today Jesus tries to explain to Pilate that, "His Kingdom is not of this world." Jesus tries to give him an example of how Pilate should be able to tell this when He said, "if my kingdom were from this world, my followers would be fighting to keep me from being handed over to the Jews." He could have continued with other differences between His Kingdom and the worlds kingdoms; everyone is treated with love regardless of their abilities, everyone is loved because they are a child of God, all God's gifts are shared equally, all are relying on God and resting in His peace continuing the work to bring all to God, to Christ and grow His Kingdom.

Jesus goes on to explain, "I came into the world to testify the truth. Everyone who belongs to the truth listens to my voice." Jesus has told us to love one another as ourselves, share our material gifts from God with those in need, love and respect every person we meet regardless of their abilities, help were God leads us.

If we belong to the truth (Christ's Kingdom), He tells us, we know His voice. Am I following Christ's voice? Contributing to the Archdiocesan Appeal is one means provided to us by God to help grow the Kingdom, in the Archdiocese of Regina.

Thank you!!

We recommend to your prayers, **Monica Romanowich** who passed away on Sunday, November 14th in Oxbow, SK at the age of 84.

Monica was the mother of our fellow parishioner Rose Romanowich. Let's keep Rose and her family in our prayers. May the Lord grant them strength and courage in their times of sorrow.

The Funeral Mass will be on Monday, November 22nd at 1:30 Pm at St. Joseph's Parish, Oxbow, SK.

Reminder: **Confirmation and 1st Holy Communion**

Our preparation for Confirmation and 1st Holy Communion begins today, November 19th at 5 pm, we will be gathering near the storeroom by the front entrance.

We therefore invite children who have registered to attend, Parents or Guardians are requested to accompany the children and attend as well.

What is Synodality?

The Greek word synodos means “to be on the journey together.” The Second Vatican Council speaks of the People of God (Pope, bishops, clergy, men and women religious and lay men and women) as being on a journey toward the heavenly Jerusalem. They walk together, exercising the gifts of their Baptism each in their particular roles. Along the way, they speak and listen to one another and to the Holy Spirit as they work to carry out their mission: to make known the Good News of salvation in Jesus Christ. In Acts 15, we see that at the Council of Jerusalem the apostles and the People of God considered, discussed and debated the issues that faced the early Church. They reached a consensus after consulting with the Holy Spirit and one another. They journeyed together. Synodality is a way of journeying together - of living out our faith - that calls for shared responsibility, open and honest dialogue, and discernment with the Holy Spirit to arrive at pastoral solutions to the issues of our day.

What are we being asked to do?

The people of the Archdiocese of Regina, with dioceses and Christian communities around the world, are being asked to speak and to listen about one main theme: A synodal Church, in announcing the Gospel, “journeys together:” • How is this “journeying together” happening today in your particular Church, in your parish? • What steps does the Spirit invite us to take in order to grow in our “journeying together”? Plans are underway to give parishes, organizations, as many individuals as possible the opportunity to respond to this theme over the next several months. Look for more information in your Parish Bulletin, in Archdiocesan communications and on the diocesan website:
