Stewardship Bulletin Bit

September 17, 2023

24th Sunday in Ordinary Time

“For if we live, we live for the Lord, and if we die, we die for the Lord; so then, whether we live or die, we are the Lord’s.”

– Romans 14:8

This is the essence of stewardship – everything we have and everything we are is a gift from God. We aren’t “owners” of anything, we are merely “stewards” of the gifts that God has given us, especially our very own lives. Pray to God, daily, and ask Him how He is calling you to live the life that He intended for you.

meditate on
God's mercy
with this
short prayer

O almighty and eternal God, whose majesty fills heaven and earth, I firmly believe that you are here present; that your adorable eye is on me; that you see and know all things and are most intimately present in the very center of my soul.

I give you thanks, from the bottom of my heart, for all your mercies and blessings bestowed upon me and upon your whole Church; and particularly for those I have received from you this day, in your watching over me, and preserving me from so many evils, and favoring me with so many graces and inspirations, [Here pause, and meditate on God's mercies from today] Oh, let me never more be ungrateful to you, my God, who are so good and gracious to me.

September 2023

Dear St. Anne's Parish,

Thank you for your continued generosity in supporting the Parish through volunteering and donations to the collection. I will be providing a financial update in September, once we have the August results.

I explained at the Annual General Meeting (AGM) earlier this year, that the Parish was able to significantly reduce the building repair loan that we have from the Archdiocese in 2022 as the result of a significant and generous bequest of \$150,000. This meant that all the funds raised from the successful Tree of Life 60th Anniversary fundraiser could remain in the Parish and help address the on-going capital requirements of a sixty-year-old building. The total debt decreased from \$299,736 at December 31, 2021 to \$153,780 at December 31, 2022

I also presented our 2023 budget at the Annual General Meeting, which required donations to the Building Fund of \$56,000 to continue with the debt repayment. The advantage of donating to the Building Fund, as opposed to just general collections, is the St. Anne's Parish can send 100% of the Building Fund donations as debt repayment to the Archdiocese. General collections to St. Anne's Parish are shared with the Archdiocese, through an assessment process which Father Amedee jokingly calls "the tax". It is the way that the Parish able to support the good work that the Archdiocese does on our behalf.

St. Anne's Parish has a continuing need to raise funds to repay our debt of \$153,780, and I would like to ask all parishioners to consider donating to the Building Fund in 2023. I know everyone's financial situation is different, and we are all on different places on our journey through life. But I know that we can all look forward to that glorious day four years from now, and the debt is finally retired, so we can start to consider some other larger capital projects, like repaving the parking lot and relaying the paving stones South of the hall. Maybe even fixing the leaky roof, permanently!

There are specially labeled envelopes that read "Building Fund" at the parking lot entrance that can be used to drop cheques or cash in the collections basket. Interac e-transfers can be made to office@stannesregina.com. To pay by VISA, MasterCard, American Express, PayPal or Google Pay, please visit the Canada Helps website at <https://www.canadahelps.org/en/charities/846476125RR0001-parish-of-st-anne/>

St. Anne's Parish is blessed to have so many volunteers and generous parishioners. Thank you for making St. Anne's Parish so special!

EARTHQUAKE IN MORROCO

Development and Peace — Caritas Canada is collecting funds to support rescue and relief efforts in Morocco, after the country was hit by its most powerful earthquake in a century. We are establishing contact with organizations in the region, including Caritas Morocco. The wider Caritas Internationalis network, too, is mobilizing to help as necessary. Please give generously at www2.devp.org/en/civcrm/contribute/transact?reset=1&id=3&q=24092 or see devp.org/en/morocco-earthquake-help-needed-right-now/ for more information.

ONLINE Workshop: Discover Development and Peace — Caritas Canada's *Stand for the Land* Campaign

This fall, we're continuing the *Create Hope: Stand for the Land* campaign. This time, we'll be meeting communities in northern Honduras who have been struggling to preserve their land and water since an iron ore mine opened in Carlos Escaleras National Park, and poisoned the rivers on which they depend for their livelihoods.

"We live every day with the fear of being killed or having one of our children taken away."
